**SUBJECT: SAFETY THROUGH AWARDS AND RECOGNITION (STAR) FOR CONTRACT
N62473-08-C-3531: CONSTRUCT 9 VEHICLE WASH STATIONS FOR AREA
FUNDRAISERS, MARINE CORPS BASE, CAMP PENDLETON, CA**

Dear Mr. Nishimuta:

It is my pleasure to inform you that MTM BUILDERS, INC. has been selected as the recipient of the MCB Camp Pendleton ROICC Safety Through Awards and Recognition ("STAR") Program Award for your outstanding safety awareness during the execution of the Construct 9 Vehicle Wash Stations for Area Fundraisers project. This award is a notable achievement and awarded only to those companies which have demonstrated a corporate proactive safety posture, protecting our most valuable resource – people.

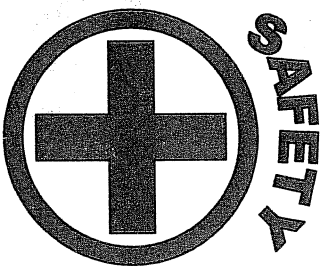

As we strive to deliver a quality product, on time and within budget, we must not lose sight of safety as our number one priority. Your company has shown that commitment and has met the high standards for jobsite safety as established by NAVFAC SW and ROICC Camp Pendleton as outlined below:

- o Zero DART incidents throughout the life of the contract.
- o No significant (\$10,000) contractor or government property damage for entire length of contract.
- o No safety non-compliance notices or stop work orders.
- o No findings identified during Occupational Safety and Health Administration compliance inspections.
- o Minimum overall "Satisfactory" performance evaluation – including quality.
- o Cumulative average score of 90% or better on the Contractor Safety Self-Evaluation Checklist, where required by contract.

Again, congratulations on your selection as a ROICC Camp Pendleton Safety Award recipient.

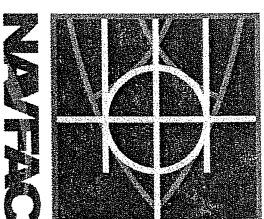

Sincerely,

S. R. King, P.E.
